

IMPORTANT NOTICE:
Illinois Health Connect is *going green!* As of December 1, 2008, IHC will **NOT** routinely mail a monthly Panel Roster to each PCP.

You can request to continue to receive a mailed Panel Roster by completing the form below. Electronic Panel Rosters are updated daily and available online through HFS' Medical Electronic Data Interchange (MEDI) System. MEDI also gives provider's access to their Provider Profiles and the Claims History. In addition, MEDI will provide up-to-date eligibility information, including IHC PCP information, for all HFS clients. To ensure the privacy, security, and confidentiality of Patient and Provider information for the IHC Program, MEDI requires each provider to enroll and obtain a username and password. If you do not have access to MEDI, there are several ways that you can get assistance with MEDI enrollment:

Please go to <http://www.myhfs.illinois.gov/training/guides.html> and click on "Introducing the MEDI System." You can also get assistance by calling your IHC Provider Service Field Representative or the IHC Provider Services Help Desk at 1-877-912-1999. We have also posted an information guide on MEDI enrollment on the IHC website under Provider Information at www.illinoishealthconnect.com.

If you have questions, contact your IHC Provider Service Field Representative or the **IHC Provider Services Help Desk at 1-877-912-1999.**

Please indicate your Panel Roster preference:

PCP Name: _____

PCP HFS Number: _____ PCP IHC Number: _____

_____ Yes, I want to continue to receive a monthly mailed Panel Roster.

_____ No, I do not require a mailed Panel Roster.

NOTE: This notice will be resent to all offices that do not respond and indicate a preference.

We are updating our files. Please indicate your preferred mailing address for all Illinois Health Connect Correspondence:

Practice name: _____

Address: _____

Address: _____

City: _____ State: _____ Zip: _____

FAX RESPONSE TO: ILLINOIS HEALTH CONNECT AT 412-318-2727

You can also update your mailing address and indicate your preference for a mailed Panel Roster by accessing the Provider Settings section of the Illinois Health Connect Provider Portal through the MEDI system.
