

## Developmental Screening

**Benchmarks to qualify for bonus payments:** This measurement has separate benchmarks for different age ranges. The bonus will be determined for each age group independently.

- 35% of children with one developmental screening by the age of 12 months.
- 25% of children with one developmental screening between the ages of 12 and 24 months.
- 20% of children with one developmental screening between the ages of 24 and 36 months.

**Measurement Period:** 12 months prior to the 12, 24, or 36 month birthday respectively.

**Qualifying Service:** CPT codes 96110 or 96111. (For more information on qualifying tools review the Health Kids Provider Handbook, section HK203.5.3).

**Qualifying Patient:** Any child on the PCP's Illinois Health Connect panel roster on December 1, 2008, that turns 12, 24 or 36 months in that calendar year.
